Dear IFMA Colleagues,

The economy has posed quite a challenge this past year for our industry and if you're like me, you are saying "Whew, glad to have made it through and hopefully we're moving forward to better times!" There have been **quite a few positive strides** in our chapter in the last 6 months of which we should be very proud. Here are the highlights:

- The Bowling Tournament was a very successful social networking event with 72 attendees
- Our Holiday Luncheon was attended by 120 people. The Raffle brought \$1400 to the Chapter
- IFMA San Diego donated \$12,500 to San Diego Youth Services
- January CFM Course nets 3 new CFM's for the Chapter
- IFMA San Diego launched a brand new 2010 Sponsorship Program
- Our Educational Programs 2010 have been Top Notch, driving up average attendance 24%
  - January Luncheon - Economic Forecast
  - February Luncheon - Dryscaping
  - March Breakfast Seminar - Seismic Retrofit
  - March Luncheon - Strategic Facility Planning
  - April Luncheon - Social Media

I am so amazed and very grateful for the ongoing efforts of our volunteers. We have 63 members that participate on the IFMA San Diego Board and in addition, we have many more volunteers that have worked endless hours contributing to our Charity hands-on projects and our Annual Golf event.

**I salute all of your efforts** and want you to know that your hard work has made all the difference. Our chapter has benefited greatly from your hard work and dedication.

Thank You So Much!

Best Regards,

Molly E. Margallo, CFM  
San Diego Chapter President
