

IFMA San Diego is a volunteer organization dedicated to enhancing the performance and professional growth of our members through networking, education and promoting the practice of facilities management.

Through educational programs, networking, career support and communications, the IFMA San Diego objective is to be the premier organization for facility management professionals.

CHAPTER MEMBERSHIP

Facility Management is a profession as diverse as the people, places and processes of the workplace. It calls upon a broad set of skills and expertise. One significant benefit of IFMA and the San Diego Chapter in particular, is the broad network of skills and expertise every member can access.

The most respected global credential in facility management.

The Certified Facility Manager (CFM) credential sets the industry standard for ensuring the knowledge and abilities of practicing facility managers. Since the program began in 1992, more than 3100 facility managers from 32 countries have achieved this prestigious recognition. San Diego has 28 Certified Facility Managers.
